8th Grade: IKAR Israel Education Program

IKAR (Israel: Knowledge, Advocacy and Responsibility) is a timely Israel education and advocacy program. The goals are threefold: To help create a sense of connection to Israel, to give students a sense of confidence in speaking about Israel, and to help students develop tools to stand up for Israel. The second hour will focus on modern conversational Hebrew. The Sunday experience will include the CFJE "Ta'am Yisrael: Taste of Israel," an unbelievable (and highly subsidized) one-week experience in Israel for 8th graders.

KADIMA (included in the tuition of IKAR Israel Education Program)

KADIMA is the 6th-8th grade youth group. We meet a few times a month for social, social action and religious programs. Throughout the year we participate in regional KADIMA programs. We will be offering an array of classes, basketball, homework time and dinner along with programs that focus on social action, religion and social activities. Please watch your mailboxes for further details. The program is open to all Jewish youth. We also conduct our own Shabbat services, host social programs and much more.
