Tikkun Chicago is an innovative, multi-denominational Jewish high school program that attracts teens from across the city of Chicago. Participants build friendships and strengthen their Jewish knowledge through meaningful courses offered in a wide variety of content such as social justice, Israel, the arts, text, and Hebrew. Our flexible schedule and wide array of courses lean into the busy lives of teenagers and allow our students to explore topics that speak to them through a blend of classroom, online, and experiential learning that inspires creativity, critical thinking, and a deeper understanding of the world. Tikkun Chicago celebrates all Jewish teens and is inclusive to students who are unaffiliated and those who are affiliated with any of the Jewish movements: Reform, Conservative, and Orthodox. We welcome you to experience this fantastic opportunity!
