

# Shavuot: Haftarah Day 1

[Ezekiel]

(1)1: Now it happened in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river Kevar, that the heavens were opened, and I saw visions of God.

2: In the fifth day of the month, which was the fifth year of king Yehoyachin's captivity,

3: the word of the LORD came expressly to Yechezkel the priest, the son of Buzi,

in the land of the Chaldeans by the river Kevar; and the hand of the LORD was there on him.

4: I looked, and behold, a stormy wind came out of the north, a great cloud, with flashing lightning,

and a brightness round about it, and out of the midst of it as it were glowing metal, out of the midst of the fire.

5: Out of the midst of it came the likeness of four living creatures. This was their appearance:

they had the likeness of a man. 6: Every one had four faces, and every one of them had four wings.

7: Their feet were straight feet; and the sole of their feet was like the sole of a calf's foot;

and they sparkled like burnished brass. 8: They had the hands of a man under their wings

on their four sides; and the four of them had their faces and their wings thus: 9: their wings were joined one to another; they didn't turn when they went; each of them went straight forward.

10: As for the likeness of their faces, they had the face of a man; and the four of them had the face of a lion on the right side; and the four of them had the face of an ox on the left side;

the four of them had also the face of an eagle. 11: So were their faces, and their wings were separate above; two wings of everyone were joined one to another, and two covered their bodies.

12: Each one of them went straight forward: where the spirit was to go, they went;

they didn't turn when they went. 13: As for the likeness of the living creatures, their appearance was like coals of fire,

burning like the appearance of torches: the fire went up and down among the living creatures;

and the fire was bright, and out of the fire went forth lightning. 14: The living creatures ran and returned as the appearance of a flash of lightning. 15: Now as I saw the living creatures, behold, one wheel on the earth beside the living creatures, for each of the four faces of it. 16: The appearance of the wheels and their work was like a chrysolite: and the four of them had one likeness; and their appearance and their work

was as if it were a wheel within a wheel. 17: When they went, they went in their four directions:

they didn't turn when they went. 18: They had rims, they were high and dreadful;

and the four of them had their rims full of eyes round about. 19: When the living creatures went,

the wheels went beside them; and when the living creatures were lifted up from the earth, the wheels were lifted up. 20: Wherever the spirit was to go, they went; there was the spirit to go:

and the wheels were lifted up beside them; for the spirit of the living creature was in the wheels.

21: When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up beside them: for the spirit of the living creature was in the wheels.

22: Over the head of the living creature there was the likeness of an expanse, like the color of severe frost, stretched forth over their heads above. 23: Under the expanse were their wings straight, the one toward the other:

every one had two which covered on this side, and every one had two which covered on that side,

their bodies. 24: I heard the noise of their wings

like the noise of great waters, like the voice of the Omnipotent, when they went, a noise of tumult like the noise of a camp: when they stood, they let down their wings. 25: There was a voice above the expanse that was over their heads: when they stood, they let down their wings. 26: Above the expanse that was over their heads

was the likeness of a throne, as the appearance of a sapphire stone; and on the likeness of the throne

was a likeness as the appearance of a man on it above. 27: I saw as it were glowing metal,

as the appearance of fire within it round about, from the appearance of his loins and upward;

and from the appearance of his loins and downward I saw as it were the appearance of fire, and there was brightness round about it.

28: As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about.

This was the appearance of the likeness of the glory of the LORD. When I saw it, I fell on my face,

and I heard a voice speaking.

12: Then a wind lifted me up, and I heard behind me the voice of a great rushing: Blessed be the glory of the LORD from His place.
