The vaccine will be offered at no cost, and insurance is not required. Documentation regarding immigration status is also not required.

Illinois residents have two options for making appointments: online and through a call center.

- To register online, visit [Zocdoc.com/vaccine](#).
- To register by phone, **call (312) 746-4835 from 8 a.m. to 8 p.m. Monday through Saturday and 8 a.m. to 4 p.m. on Sunday.** Given the anticipated high demand for appointments, residents who can use the web site should book their appointments online.

The site will operate seven days a week for eight weeks under the federal government's vaccination pilot program.

Uber is providing 20,000 \$40 ride credits to eligible residents. After a Chicago resident books an appointment via Zocdoc, they will receive an appointment confirmation email which will also ask if they need transportation to their visit. If so, they'll receive ride credits from Uber which will work only for rides to and from the United Center.
