

Thank you for your interest in the Beverly Goldstick Curriculum for 21st Century Jewish Learning! We are so excited to share our work with you.

Some helpful hints:

- To access the curriculum, click the **See Curriculum** button for each grade you wish to view.

1

First Grade

Students will explore the stories of the Patriarchs and Matriarchs; how human beings can partner with God; and the core stories of each of the holidays. Students will learn about how Jews arrived in America; the physical contours of the land of Israel; and core mitzvot like welcoming guests and feeding the hungry.

[SEE CURRICULUM »](#)

- Our educators have put together a model year, showcasing how the full curriculum might be used. To view, click on the **Full Year Curriculum** button on each grade's page.

- [Prayer, God, and Spirituality](#)
- [Sacred Text](#)

- Your institution may prefer to mix and match pieces of the curriculum, rather than using the full year model.
 - Each grade is organized into 7 educational “buckets” (**Mitzvot & Values, Sacred Text**, etc.). To view all lessons within each bucket, click the appropriate button on each grade's page.
