Textploation Project 2

The background is a solid dark red. Overlaid on this are several light red, semi-transparent geometric shapes. There are two large, wide triangles pointing towards the top corners, and a large, rounded rectangle at the bottom. These shapes create a sense of depth and structure, framing the central text.

What is this unit's project?

The background of the image is a stage setting. It features heavy red curtains that are slightly parted at the top. In the center of the stage floor is a circular, tiered red platform. The text is centered over this stage scene.
